DROWNED AT AUGUSTA.

Captain W. L. Thomas, a Veteran River Man, Meets Death.

Captain W. Lemmon Thomas, aged 60, a veteran river man, was drowned at Augusta Wednesday afternoon at 5 o'clock while crossing to his home in Ohio.

He was crossing with the United States mail in a skiff when a huge wave struck the boat and tossed it high in the air and threw him out. His body has not been recovered.

The skiff was found yesterday morning seven miles below, at a point called Rural, O. The boat was perfectly dry inside and the mail was in as good condition as when given into Captain Thomas's possession.

He started for his trip against the protest of his friends, who realized the dangerous condition of the river.

CHUNN—MILES.

Last Sunday's issue of The Chattanooga (Tenn.) Times had the following of the Chunn—Miles wedding, the groom being a son of Mr. and Mrs. Samuel B. Chunn of West Third street:

One of the most pleasing home weddings of the season was that of Miss Queen Miles and Mr. Thomas Reed Chunn, which occurred at the residence of Mr. and Mrs. Joseph W. Clift at Orchard Knob on Thursday evening.

The house was beautifully decorated for the occasion and the elegant parlor, dining-room and front hall were thrown together for the accommodation of those who were to witness the happy event.

A large wedding bell of bride's roses was suspended from the ceiling of the front parlor, where at 8:30 the wedding ceremony was most impressively performed by Dr. J. W. Bachman of the First Presbyterian Church.

Delightful music was furnished throughout the evening by Saffor's Orchestra.

Scidmore has a more handsome couple been seen than were Miss Miles and Mr. Chunn as they presented themselves before the officiating Minister. The bride who is noted and loved for her charming voice and her sweet and happy disposition, was radiantly beautiful. She wore a traveling dress of gray cloth and carried a shower bouquet of bride's roses and lilies of the valley. The good wishes of her numerous friends was evidenced by the fact that she received many elegant presents, notwithstanding the circumstance that no formal wedding invitations were issued, and that only the immediate family of the bride and a few of the most intimate friends of the bride and groom were present.

Immediately after receiving the felicitations of their friends and partaking of elegant refreshments, which were served under the gracious direction of Mrs. Clift, Mr. and Mrs. Chunn left, by way of the Southern, for a trip East.

They will be at home after their return at 605 Georgia avenue.

NO CAUSE FOR ACTION.

Court of Appeals on Suit of Henry vs. Secret From Nicholas.

The Court of Appeals Tuesday reversed the judgment of the Nicholas Circuit Court in the election case of F. B. Henry, Chairman of the Democratic County Committee, against E. J. Secret.

The appellee was a candidate for the party nomination for Assessor and was defeated by six votes.

He asked the Committee to open the ballot boxes, and, on the refusal to do so, sought a mandatory injunction against it. The answer of the Committee denied the jurisdiction of the Court and averred that no contest had been instituted by Secret.

The lower Court granted the injunction prayed for. The Court of Appeals, in reversing the judgment of the Nicholas Circuit Court, says that the petition states no cause of action, and that the Court had no authority to grant the injunction in the absence of a contest by the appellee.

"More Things Come to Those Who Don't Wait Than to Those Who Do."

We are making a really great sacrifice to close out a big stock of winter shoes—our regular stock—not goods bought for a sale. We should be untrue to our principles were we to carry over this season's line to next—hence our annual clearance sale to "clear the decks." Gentlemen, stop a minute and see the purchasing power of

\$3.00

The new 2-cent postage stamp may be a joy forever, but it's not a thing of beauty by a jug full.

The Adams County (O.) Record is not only the neatest but it is one of the newsiest weeklies that comes to this office. And then its editorials are pure wool and empty feet wide.

In an opinion reversing a decision of the Iowa Supreme Court, Justice SHIRAS of the Supreme Court of the United States holds that state laws for the regulation of State Banks cannot be applied to National Banks. How many more times must the little state Courts be taught that Uncle Sam is boss of the whole job in this country?

The Editor of The Fleming Gazette recently disciplined Editor WYATT of The Ewing Inquirer for one of his misfit big words; and the way Br'er WYATT gets back at him is enough to make his teeth rattle. Hear him, verbatim—

"The word 'retinue' used in the columns of our paper last week seems to have struck a cord of myth, if such a thing exists in the sanctum of The Gazette and another gentleman, was much elated, who, to our knowledge never attended 'scule more an a day in his hole life' and knows no more of the 'English' than a pet pup. We did not look the word up, and while it is from re and tenco, to hold, it was not the word we wanted, yet the application is all right, for it is always the 'train of persons,' the following of one who is 'raised in office' that is more of a sench in the nostrals of the people than the real office holder."

Br'er WYATT's only mistake was in not calling The Gazette man a pectinibranchiate gastropod and delphinoidean cetacean devoid of postfrontosquamosal hymenopters, dwelling in an aborescent atmosphere with dilambdodent insectivores. This certainly would have struck a "cord" of "myrth," and created a big "sench" in the "nostrals" of everybody. Besides, it would have made his statement more easily understood.

Mr. Isaac Lane, contractor and builder, residing at 336 West Second street, says:

"Doan's Kidney Pills do all that is claimed for them and do it promptly and thoroughly. I had not taken all of one box before I felt such great relief that a continuance of the treatment seemed unnecessary. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets. If there should be any recurrence of the trouble I now have a knowledge of a reliable remedy to end the attack."

—Chicago Tribune.

It looks like Germany was itching to get into a "scrap" with Uncle Sam. Come right along, BILLY; we'll put you in the scrap pile along with Spain.

The Ministers of Louisville have organized a crusade against the frequency of saloon murders and the encroachments of so-called "criminal lawyers" in that city. A similar movement might do some good in Maysville.

The recent action of Mr. J. PIERPONT MORGAN to divide certain profits of the Steel Trust among the 168,000 officers and employees of the big concern, doesn't suit Mr. HENRY GEORGE, Jr., the socialist son of his pa. Mr. GEORGE is a chronic stomach-acher. He can see no good in anything except his own wild and woolly theories, and there isn't a penny for the workingman in any one of them. Besides it is doubtful if in all his life he ever gave six days employment to a mechanic.

The "confession" of YOUTSEY, as published recently by The Courier-Journal, contained this—

"YOUTSEY said that he told Senator DEBOE of the plan and that DEBOE said:

"That is unnecessary. The Legislature will seat TAYLOR."

"YOUTSEY told Dr. W. R. JOHNSON what DEBOE had said, and JOHNSON said:

"G—d—DEBOE! Don't pay any attention to him. Talk to TAYLOR. He's the man."

When Senator DEBOE's attention was called to YOUTSEY's statement he said—

"That statement is absolutely without foundation. There is not a word of truth in it."

Dr. JOHNSON has not been heard from; in the meantime the Goebel papers are knee deep in YOUTSEY's statements, despite the warnings of Judge CANTRELL.

SECOND THE MOTION.

Ashland Independent.

A sixteen-year-old boy up at Huntington bought a \$2 revolver and was carrying it around to protect himself. About two hours after the purchase he accidentally shot his companion, a young man of 20, and the wound was so serious that he died a few hours later. In reading the details one is inclined to believe that it was nearer murder in cold blood than accidental shooting. The fool who deliberately places a gun against a man's head and pulls the trigger, and then comes out with the plea, "I didn't know it was loaded," ought to be hung on general principles, if for no other reason.

The Tacoma will be down tonight from Pomeroy.

The Queen City will pass up tomorrow night for Pittsburgh.

There was not a boat moving on the Ohio river between Pittsburgh and Cairo Wednesday night on account of the high winds.

C. Jutte & Co. closed a contract, through the New Orleans agents of the company, for the sale of 5,000 tons of coal for export shipment to Buenos Ayres, South America. This coal will be the first to be exported from the port of New Orleans.

The prosecution of William Clark, owner of the steamer Bill Clark, which has been going on in the United States Court, ended in his favor. It was charged in the indictment against him that he had operated the boat with a single engineer for periods of over twelve hours, and so had violated the navigation regulations. Charles H. Stephens, his attorney, demurred to the indictment on the ground that it involved no violation of any statute of the United States. It was shown the requirement as to the number of engineers was merely a rule of steamboat inspectors and not a law. It was on that ground that the demurrer was sustained and the indictment dismissed. The Government District Attorneys cited the law both for and against Clark, and Judge Thompson, in dismissing the case, praised their impartiality in presenting both sides of the case.

PURE BLOOD

Necessary to Life. Vinol Makes it.

POOR BLOOD CAUSES ERUPTIONS AND WEAKNESS.

Vinol Makes Pure, Rich, Red Blood.

BECAUSE WE KNOW THIS WE GUARANTEE ITS ACTION.

Impoverished blood is a sure sign of internal disorders. We see every day too many people whose faces plainly show that there is something radically wrong.

We want all of our fellow-citizens to know of our splendid blood purifier and blood maker.

We refer to Vinol.

Vinol, as we have before stated, is a purely scientific preparation. Vinol owes its virtue to the fact that it contains in a highly concentrated state the active curative principles, taken from the livers of live cods—the same elements that formerly were found in cod-liver oil, and which made it famous.

Vinol does not contain the grease or fat that characterized cod-liver oil and made it in many cases worthless.

Vinol acts upon every one of the great vital organs, and by invigorating and giving them strength, enables them to properly perform their functions.

Vinol's effect on the stomach is marvelous. It tones up this, the greatest of the organs of the body, and enables it to obtain from the food which is taken into it the necessary elements to create flesh and muscle tissue, bone structure and pure, rich, red blood.

We are in receipt of a letter from a Salvation Army woman which reads as follows:

"I took Vinol after a bad attack of gripe, and so much good did it do me that I persuaded my sister to take it. She was all tired out. Had no appetite and her blood was very poor. It did her as much good as it did me." BRER HANSEN, 718 River St., Fall River, Mass.

Won't you please come in and see us? We are always glad to extol the merits of Vinol.

We will give you back your money if you don't find Vinol will do all we claim it will. Could any one do more for you?

SOUND AS A DOLLAR

That is the result of a course of treatment with Scott's Emulsion. We have special reference to persons with weak lungs and sensitive throats.

Scott's Emulsion does some things better than others. This is one of them. It has a peculiar action on the throat and lungs which gives them strength and makes them tough.

That's how Scott's Emulsion drives out coughs, colds and bronchitis. It keeps them out, too.

We'll send you a little to try, if you like.

CUTICURA PILLS

For Cooling and Cleansing the Blood and Skin

In Cases of Itching, Burning, Scaly Humours,

And for Renovating and Enriching the Blood.

The Best and Most Economical Yet Compounded.

Cuticura Resolvent Pills (chocolate coated) are the product of twenty-five years' practical laboratory experience in the preparation of remedies for the treatment of humours of the skin, scalp and blood, with loss of hair, and are confidently believed to be superior to all other alternatives as well as liquid blood purifiers, however expensive, while enabling all to enjoy the curative properties of precious medicinal agents without consuming needless expenses and often injurious portions of alcohol in which such medicines have heretofore been preserved.

Cuticura Pills are alternative, antiseptic, tonic and digestive, and beyond question the purest, sweetest, most successful and economical blood and skin purifiers, humour cures and tonic-digestives yet compounded. Medium adult dose, one pill.

Complete external and internal treatment for every humour may now be had for one dollar, consisting of Cuticura Soap, to cleanse the skin, Cuticura Ointment, to heal the skin, and Cuticura Resolvent Pills, to cool and cleanse the blood. A single set, costing but one dollar, is often sufficient to cure the most torturing, disfiguring skin, scalp and blood humours, eczemas, rashes, itchings and irritations, with loss of hair, from infancy to age, when physicians and all other remedies fail.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small percent of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Drives out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Relieves the feverish conditions.
- (8) Removes every cause of the cough and the strain on the lungs.
- (9) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live 'dead woman.' One Minute Cough Cure saved me." Mary F. Sullivan, Grand Rapids, Mich.

Pleasant to the taste. Good for Children.

Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

It may seem like idle talk to say much about

SPRING CLOTHING!

At this time of year. There are some few people who think it too early to place an order. But in having your clothes made to measure—and they really are the only kind that fit and last—two facts should be considered. One is, that he who takes time by the forelock never gets left; so he who takes advantage of opportunities when presented and selects his goods and places his order for whatever he may need in wearing apparel before the season fairly opens is never left. For why? As usual, the good things go first, and he who gets there first is like the proverbial bird—gets the best that's going. The second fact to be considered is, tailors, when the spring is here, are very busy, and in consequence late orders are delayed, which causes annoyances otherwise avoided. Come and look at my line. Over two thousand styles to select from.
